

QUONSET DEVELOPMENT CORPORATION (QDC)

INVITATION TO BID

A BID is solicited for the following work:

Name of Project: Crew Transfer Vessel (CTV) Harbor

Description of Work: The Project consists of making infrastructure and utility improvements along the Terminal 4/5 bulkhead and a portion of Pier 1 at the Port of Davisville. These improvements are intended to accommodate the shoreside operations of Crew Transfer Vessels (CTVs) that support the offshore wind industry. The work is expected to include but not be limited to saw cutting, removing, and disposing of existing asphalt and concrete pavement; removing and disposing of selected existing utilities; removing and disposing of existing rubber tire fenders; modifying an existing timber fender system; furnishing and installing new water, sewer, fuel, electrical, and communication services; furnishing and installing new above ground fuel storage tanks; forming and pouring new concrete structures; furnishing and installing new site security fencing, safety equipment, and site lighting; furnishing and installing supplementary timber fender systems, rubber D-fenders, and a timber dolphin; furnishing and installing new mooring hardware and access gangways; furnishing and installing a new access road; and furnishing and installing new asphalt and concrete pavement.

In addition to the project described above, Bidders shall be aware that the Owner is undertaking a separate heavy-marine construction project to be completed at Pier 1 (outside of this project's work limits), which will take place concurrently with this project. Accordingly, the successful Bidder may be required to coordinate its operations and construction sequencing with the selected Contractor on an on-going basis for the separate Pier 1 project.

Contract Number: 2022-007
